Re: Import Fitting and MJ Accessory Price Increases

For reasons communicated in our letter dated March 21, 2022, SIGMA is announcing a price increase on its line of import Fittings and MJ Accessories.

Effective Thursday, March 24, 2022, SIGMA will be increasing our pricing per the percentages below on both new and existing orders:

Import CL/TC Fittings	6%
Import Zinc Coated Fittings	6%
Import FBE Coated Fittings*	16%
Import P-401 Lined Fittings	11%
Import MJ Accessories	6%

****Please note that SIGMA has separately announced FBE List Price changes that will be effective March 28th.***

Existing orders that remain unshipped as of Monday, May 2nd, will be repriced at the time of shipment.

Finally, we emphasize that costing of raw materials remains volatile. Future increases may be a reality.

Please contact your SIGMA Territory Sales Manager if you have any questions.

As always, we appreciate your business and support.

Sincerely,

Greg Fox | Vice President of Sales
SIGMA Corporation
